ABOUT THIS COURSE

This 1-2-1 course will teach you everything you need to know to be successful in your new career in Scalp Micropigmentation. It also includes your machine and full kit needed for your first 5 sessions.

The OCN accreditation is provided by The Finishing Touches group. This is recognised within the industry and is accepted by insurers and local councils.

You will feel confident after your training and comfortable to perform the treatment on your own, but we are happy to come to your clinic to observe your first treatment with your own client to ensure that everything runs smoothly.

You will receive a Certificate of Attendance after the 3 day practical training and providing that you complete your online theory beforehand, your OCN Level 4 SMP certificate will be posted out to you after you have provided us with your case studies to review.

Course Agenda:

- Online Theory with The Finishing Touches Group
- Best Practice
- Health & Safety
- 1-2-1 three day practical training within a beauty school
- Live demo by Chelsea
- Technique practice
- Consultation & aftercare (including paperwork)
- Models provided
- Hairline design
- Density training
- Female SMP
- Scar camouflage (including hair transplant scars)
- Alopecia SMP
- Pigment mixing and dilution
- Insurance & licensing advice
- Visit to your own clinic (once up and running)
- Ongoing support
- Accredited certificate
